WHY DON'T WE SEE ONE WORD OF THIS IN ANY OF THE MEDIA?

Love him or hate him, we all remember how the press went to great lengths to find out every move that President Bush made ... finally unable to come up with anything factual, so they created it! When their accusations were proven empty, they refused to retract one word of the fraud they perpetrated on the American people.

Dan Rather lost his job over fraudulent documents, because common people like you & me reached out and ripped CBS to pieces. They couldn't stand the loss of sponsors OR viewers!

The same Media went to great lengths to scandalize & destroy Sarah Palin. She maintains a 91% approval rating among voters from all parties, thanks to the Internet and investigative journalists who don't work for the mainstream media.

NOW ----- The Supreme Court has scheduled a Conference for Dec 5th about Obama's

U. S. Citizenship. STILL, not a word about any of this from the Media. If it were not for the Internet and talk radio, American citizens would become the servants of a dishonest & conspiratorial Media.

THINK ABOUT IT. IT DIDN'T USED TO BE THIS WAY! How much longer are we going to sit on our hands & say not a word?

AND DON'T THINK THE MEDIA SIMPLY DOESN'T KNOW - THEY ARE GETTING POUNDED WITH EMAILS ABOUT IT!!!

Obama could not get a simple security clearance with the information the

government has on him ---- NOBODY COULD!

NOW he is privy to every top secret America has!

**What is going on??? WHERE ARE THE GOOD PEOPLE IN THIS
COUNTRY - ARE YOU OUT THERE???**
